## ABOUT SELENE

Selene is one of the most famous restaurants of Santorini, with a history that goes back 36 years. It is currently housed in Katikies Garden Hotel, in an imposing building that used to be an old Monastery located in the city of Fira. The famous Michelin-starred chef Ettore Botrini is leading the team of this fine dining restaurant, with maître Vassilis Economidis doing a magnificent job making sure everything runs smoothly in the restaurant.

Master of Wine Yiannis Karakasis curates the wine list. He has entrusted charismatic sommelier Christos Katsigiannis to advise and suggest the perfect bottle for each restaurant guest.
