PEOPLE ASK ME WHAT MAKES A WINE LIST GREAT.
TO BEGIN WITH, IT SHOULD TELL US STORIES;

Stories about the winemakers, their agonies and the vintages.
Stories about the varieties and the exciting terroirs in which they are planted.

A great wine list is a combination of diversity, excitement and adventure.
It should enable you to swiftly navigate through varieties, regions and diverse styles of wine.

It should also give you exciting alternatives at various price levels.

Wine is fun, above all;
this, together with producers who are true to their land, gives the best result.
