*Following the success of last year's sensational Assyrtiko vs Riesling masterclass, we are thrilled to present an extraordinary sequel that promises to elevate your appreciation of Santorini's wines to new heights. Prepare to embark on a journey of discovery as we delve into the stylistic and qualitative nuances of Santorini's exceptional wines. Guiding us through this experience are two esteemed Masters of Wine: Mark Andrew, co-founder of Noble Rot, and Yiannis Karakasis, author of "The Wines of Santorini". Together, they will unveil the differences and shared characteristics that define each region's winemaking artistry. Through a fascinating blind tasting of ten hand-picked wines from Santorini and Burgundy, this exclusive event offers an unparalleled opportunity to deepen your understanding of these remarkable terroirs.*
