

THE WINE LIST

PEOPLE ASK ME WHAT MAKES A WINE LIST GREAT.
I WOULD ARGUE THAT TO BEGIN WITH,
IT SHOULD TELL US STORIES.

Stories about winemakers, their agonies and vintages.

Stories about varieties and exciting terroirs in which they are planted.

A great wine list is a combination of diversity, excitement and adventure.

It should enable you to swiftly navigate through varieties,
regions and the different styles of wine.

It should also give you exciting alternatives at different price levels.

Wine is fun, above all; this, together with producers
who are true to their land, gives the best result.

TASTE THE DIFFERENCE...
